

WHO ARE THE TOP 10 BEST SELLING JAZZ ARTISTS

The Graph on the right is a Bar Chart which shows the number of songs released and sold by the Top Ten Jazz Artists. You can see from the graph that **Miles Davis** sold the most songs and Gene Krupa comes in second with Spyro Gyra a close third place. The least amount of songs sold is by the Artist Aaron Goldberg

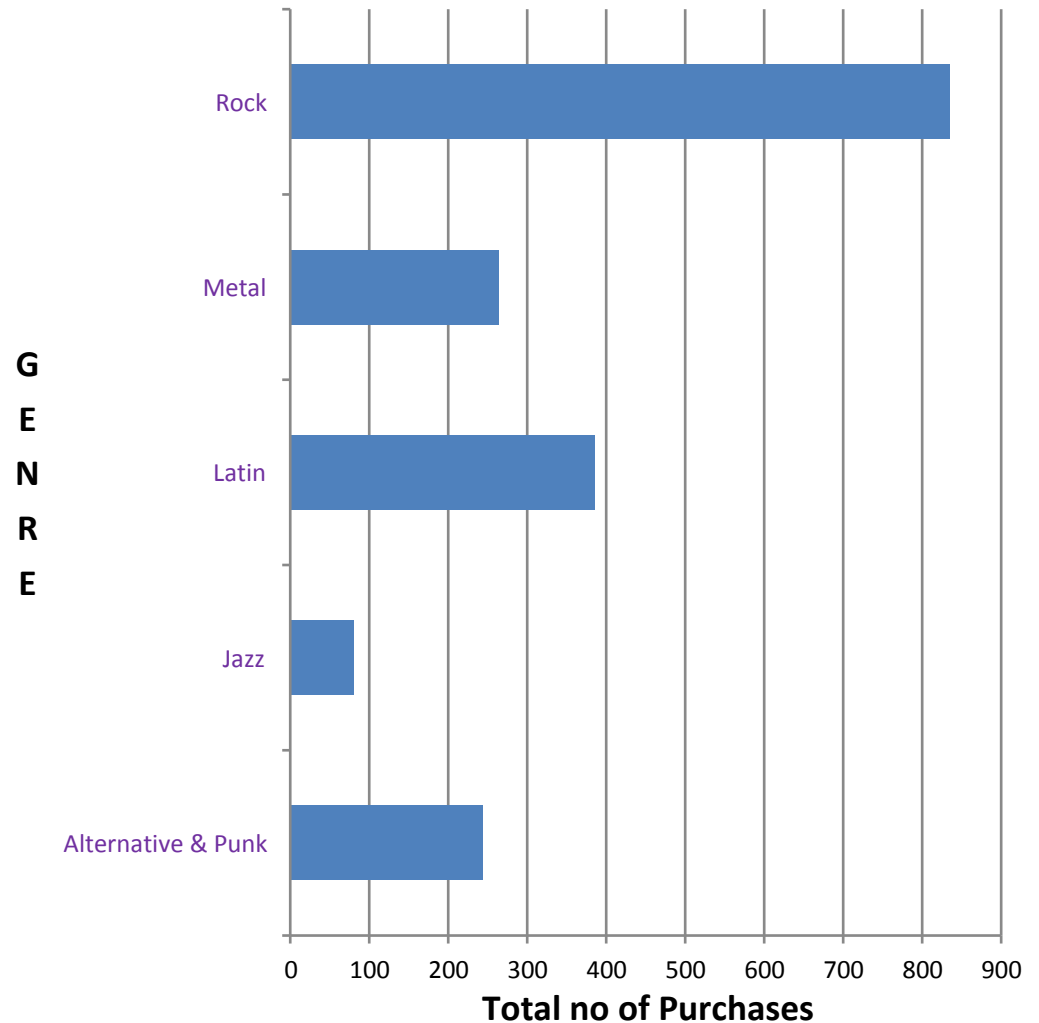

WHAT ARE THE TOP 5 BEST SELLING GENRE OF MUSIC

The graphs shows that the most popular style of music enjoyed by most people is ROCK which sold just over twice the amount of LATIN music Which is the second most favourite genre of music by most people.

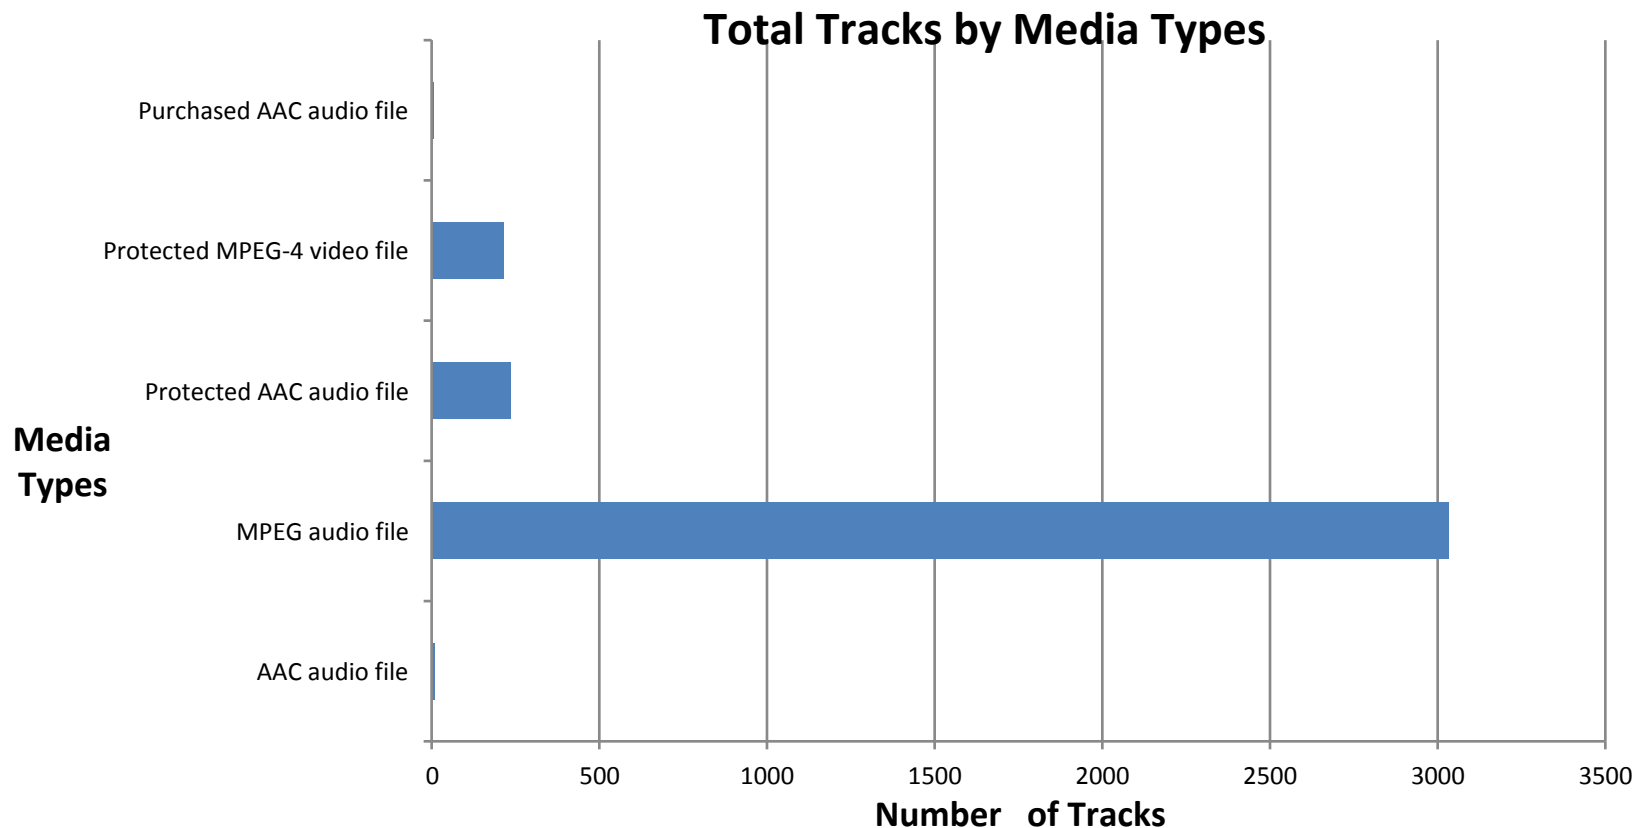

The least favourite kind of music is JAZZ and I am very surprised by this trend but I can see that this type of music only appeals to a certain type of individuals such as classical dancers etc.
